No. 10

MEMBERSHIP

The Board of Governors of our association passed on the application for membership of 28 of our neighbors. This brings our membership to 380, an all-time high.

The chart we have prepared showing every home in our community with a paster indicating those of our members, now shows just a few empty spaces.

We are striving to have every home represented in our association. If you are not a member, why not get in touch with our president, H. J. Breininger, 89-18 - 235th St. Telephone Missouri 7-1106, who will arrange to have an application blank in your hands.

NEXT MEETING

As announced in our last issue, no regular meetings of the association would be held during July and August.

The next meeting of the association will take place on Tuesday evening, September 10th.

The Board of Governors will meet as usual on the last Tuesday of the month.

UNNECESSARY

There's no need of having your street in darkness because of a street light out of order.

When you see a light out on your street, just phone Stillwell 4-1850. You will receive courteous attention and prompt service. We have found that repairs are made within a surprisingly short time after phone calls are made.

NEWS

Announcing the arrival of a bouncing baby boy in the home of Mr. and Mrs. Larry Ermler of 235th St. and a baby girl in the home of Mr. and Mrs. Fred Spiertz of 240th St.

Congratulations to the proud parents and to the new grandpa and grandma, executive member and Mrs. Edward Bohan.

OUR ADVERTISERS

The Bellerose Pet Shop wishes to inform our readers that they carry a full line of pet supplies and remedies. Also fine breeds of canaries and dogs.

The Bellerose Esso Station announces that it is now under the management of Harold and Frank.

The Harry Klenoff Co. of which our fellow-member B. G. Bromberg is manager, is located at Jamaica Ave. and 246th St., and not 245th St. as erroneously noted in last month's issue of the 'News.'

BUS SERVICE

Our members should not hesitate in making known their complaints over service on our bus line.

Full information concerning the complaint should be given to the chairman of our Bus Committee, John Curran, 88-32 240th St., or to our president, H. J. Breininger.

FOUND

In one of the streets of our community, an automobile hub cap.

This will be returned to the rightful owner on proper identification. Communicate with our president, H. J. Breininger, 89-18 - 235th St. Telephone Missouri 7-1106.

INTERESTED ?

At our last meeting we expected to hear a talk on insurance but we were disappointed due to our speaker having been called out of town on important business.

However, we have been assured that he will be present at our meeting on September 10th and we look forward to an interesting and instructive talk.

FOR CHILDREN

It will be a special day for children at Jones Beach State Park on Wednesday, August 7th, from 11 a.m. to 5 p.m. and Wednesday, August 14th, from 2:30 to 5 p.m. will be Circus Day.

On each of these days there will be special events. Races, souvenirs, games, prizes and ice cream.

BOWLING

If you enjoy bowling, why not give your name to Al Strohsnitter, 88-19 235th St., telephone Hollis 5-9036 chairman of our Bowling Committee.

Watch for the date of our Fall Card Party.

BUSES

As noted in last month's issue of the "News," the buses of the Route Q-32, Queens Village Station to Creedmoor Hospital, are now operating on a 20-minute schedule.

This line is a handy means of going to and from Queens Village.

PLAYGROUNDS AND POOLS

The playground at Public School 33 is now open from 9 a.m. to 5:30 p.m. Mondays through Fridays.

The swimming pools at Jamaica High School and Andrew Jackson High School are open Mondays, Wednesdays and Fridays for boys, and Tuesday and Thursdays for girls.

ONCE AGAIN

Every year about this time we note the newspaper headlines telling us of the proposed extension of the Hillside Ave. subway.

The latest recommendation of the Board of Transportation is to extend it from its present terminus at 169th St. to 185th St., this being the first step towards an eventual terminus at the City Line. It is expected the Board of Estimate will approve the recommendation.

Something must be done to alleviate the intolerable transportation situation in the east end of Queens. With all the new homes being erected hereabouts, prompt action must be taken to forestall complete chaos.

Specialist: "Could you pay for an operation if I thought one was necessary?"

Patient: "Would you find one necessary if I could not pay for it?"

Watch for the date of our Fall Card Party.

THANK YOU

We wish to express our gratitude to the J. A. Wright Co. for their generous contribution of Wright's Silver Cream which was presented to all who attended our last afternoon Card Party on July 3rd.

Besides an enjoyable afternoon at the games, the creams will prove a valuable gift.

SHOW

Do you remember the Acquacade at the World's Fair? Well, you may see the Acquaretta, a water show, there every night except Monday at 9 p.m. A new show starts every Friday. Fireworks display every Friday. Tickets 60c and \$1.20. Free parking.

A lawyer said to a doctor witness:

"Doctors make mistakes sometimes, don't they?"

"Just as lawyers do sometimes," was the reply.

"But doctors' mistakes are buried six feet under ground," persisted the lawyer.

"Yes," agreed the doctor, "and lawyer's mistakes oftentimes swing six feet in the air."

* * *

"Frequent water drinking," said the specialist, "will prevent you from becoming stiff in the joints."

"Yes, but some of the joints don't serve water."

WEEKLY FREE DANCES

August 6—ackson Heights Playgrounds, 84th street, ackson Heights.

August 13—Grover Cleveland, Stanhouse street and Grandview avenue, Ridgewood.

August 20—30th road, 45th street and 30th road, Astoria.

Mike: "My boy Michael—sure he's wonderful on the violin! Whin he plays 'The River Shannon Flows'—you can hear the waves breakin' on the shore an' th' burrds singin' in th' trees."

Pat: "Gwan wid yez! You've heard nothin' yet! Whin my lad Peter plays 'The Charge of the Light Brigade' it's weeks before the smell av' th' horrses laves th' house!"

"I may say I'm regarded as quite smart," announced the applicant for the stenographer's position. "I've won several prizes in crossword and jigsaw puzzles, and word picture competitions lately."

"Yes, but I want some one who can be smart during office hours," returned the prospective employer.

"Oh, this was during office hours!" said the girl.

A tourist from Texas, speeding along a Kansas highway, somewhere between 100 and 110 miles an hour, was stopped by a highway patrolman.

"Was I driving too fast?" asked the Texan apologetically.

"Heck no, you were flying too low," the patrolman retorted.

Office Manager: "Grammar? I thought you said glamour!"

A lady named Mrs. Carr had ten children. When the tenth one arrived a neighbor said to her:

"Well, I see you have another little Carr."

"Yes," replied the mother, "and as far as I'm concerned it is the caboose."

Mother: "When that naughty boy threw stones at you, why did you not come and tell me instead of throwing them back at him?"

Willie: "What good would it do to tell you? You couldn't hit the side of a barn."

A lawyer received the following letter from a client:

Dear Sir: My boy got struck by an automobile, No. 4872-6B. If the owner is rich, sue him at once. The boy wasn't bruised any, but on your notifying me that you have brought suit, will hit him in two or three places with a hammer."
