No. 10

NEXT MEETING

As announced in our last issue, no regular meetings of the association would be held during July and August.

The next meeting of the association will take place early in September.

The Board of Governors will meet as usual on the last Monday of the month.

DANCES

The weekly dances for teen-agers at Braddock Playground, sponsored by the Kiwanis Club of Bellerose, have become quite popular and are drawing attendances estimated at over 500.

These dances will continue every Tuesday evening, weather permitting, until well into September.

If you are no teen-ager, come over just the same and enjoy seeing the youngsters "doing their stuff".

COMING EVENTS

A meeting of the committee has been scheduled to arrange our Annual Card Party and Dance to be held at the Creedmoor Rest on Friday Evening, October 14th.

Our neighbors are asked to reserve this date. We anticipate the same splendid support that was given our parties in previous years and which were such grand social and financial successes.

The chairman says it will again be necessary for his committee to limit the number of tickets. We therefore advise placing your order for tickets now.

SLOW DOWN

Our attention has been called to motorists who speed through the streets of our community.

Drivers who are "heavy on the gas" should think of the many children who play in our streets and are too interested in their play to notice oncoming cars. Extra caution should be taken when driving at night; the lighting of our streets is not of the best.

CONDOLENCES

It is with deep regret that we note the passing of our fellow-member Humphrey Adams of 237th Street.

To his bereaved family we offer our heartfelt sympathies.

These same sentiments go forth to our fellow-member E. J. Frey of 235th Street on the death of his brother Arthur.

OUR ADVERTISERS

The current mild epidemic of poliomyelitis more than ever emphasize the need for insurance against this dread disease. Anton Dietrich is offering a policy for such insurance and a phone call will bring you its details.

That new store front of the Bellerose Manor Cleaners gives the community quite a lift. Congratulations.

Roy Stromgren's Liquor Store is also "lit up" with a new neon sign.

B & B Sweet Shop closes every Wednesday afternoon at two during August.

The Rocky Hill Service Station is now operated by Dave, George and Bill.

In preparation for the coming winter, Karleen Laundry will "do up" your electric blankets now.

Abe Mishkin has taken over the establishment maintained by Sol Rubinstein these past 10 years.

FREE

One of our members is anxious to dispose of a pair of garage doors. For further information telephone Fieldstone 7-5431.

NEWS

Announcing the arrival of a bouncing baby boy in the home of Mr. and Mrs. William Sauer of 237th Street.

Congratulations to the proud parents.

FIREHOUSE

In a letter from Fire Commissioner Frank J. Quayle, he tells us that title to the property at 256th Street and Union Turnpike has been taken by the City for a future firehouse.

PRECAUTIONS

Among the many suggested precautions against the spread of disease in these hot days, health authorities quote the following provisions of the Sanitary Code of the City of New York relative to the disposition of garbage and rubbish:

1. Put in ash can all unburnable material such as ashes, sweepings, bottles, glass, crockery, cans, shells.

2. Put in garbage can all putrescible material such as meat, fat, bones, fish, fruit and vegetables.

3. Put in bags or bundles, securely tied, all burnable rubbish and materials such as paper, rags, shoes, old clothes.

4. Place all materials for collection within the building line and remove receptacles immediately after they are emptied.

OUR PLATFORM

1. BETTER BUS SERVICE.
2. SUBWAY EXTENSION TO CREEDMOOR.
3. BEAUTIFICATION OF COMMUNITY.
4. TRAFFIC LIGHTS ON BRADDOCK AVE.
5. HIGH SCHOOL FOR EAST END.

UNNECESSARY

There's no need of having your street in darkness because of a street light out of order.

When you see a light out on your street, just phone Astoria 4-4201. You will receive courteous attention and prompt service. We have found that repairs are made within a surprisingly short time after phone calls are made.

DRIVERS LICENSES

Renew your driver's license now and avoid the rush.

That's the suggestion from Queens Motor Vehicle Commissioner D. Lacy Dayton of Bayside.

Check your license to see if it expires Sept. 30, he said. If it does, you can renew it by mail by filling out the application available at the Queens office, 147-12 - 89th Avenue, Jamaica.

Attach your renewal stub to the application . . . with a check or money-order for \$1.50 . . . and mail it to the Jamaica office, Dayton said.

JOIN THE PAL

Be a big PAL to a little PAL. Contribute to the Police Athletic League. Provide a year 'round program of recreation for New York's Children. Youth centres, boxing, camping, basketball, swimming, boat rides, play streets, clubs, arts and crafts, dances, track and field, baseball.

Associate membership in PAL costs \$1.00 per year.

Enroll at any Police Station or write PAL, Police Headquarters, 240 Centre Street, New York 13, N. Y.

FUEL OIL

New York families are facing the danger of tight fuel oil supply and higher prices next winter because of their failure to fill their fuel oil tanks this summer. Warning that crude production and refining have been drastically curtailed during recent weeks because of deferred buying by consumers, Harry B. Hilts, executive secretary of the Empire State Petroleum Association, urges every householder to have his oil tank filled at once.

Early in April our Congressman, Henry J. Latham, sent us several booklets for distribution to our members. The few we received did not satisfy the demand so we asked Mr. Latham for additional copies. He very kindly sent them to us and they, too, went like "hot cakes" at our last meeting.

These popular booklets are Department of Agriculture Bulletin No. 1800 "Home-made Jellies, Jams and Preserves" and No. 1474 "Stain Removal from Fabrics—Home Methods." Persons interested may get copies by writing Mr. Latham or the U. S. Department of Agriculture, Washington, D. C.

Once upon a time, they say, a man invented a mousetrap. He believed his fortune would be made by its sale if he could get President Lincoln to recommend it. After a long, persistent effort, he secured an audience with the President and received the following testimonial, which will apply to many things besides mousetraps:

"For the sort of people who want this sort of thing, this is the sort of thing that sort of people will want."
