No. 1

## JUST A REMINDER

October 31st was the last day in which real estate taxes for the first half of the fiscal year 1949-50 could be paid without penalty.

If you have overlooked paying these taxes, you had better arrange to pay without delay as the penalty for non-payment is interest at the rate of 7% per annum from October 1st to date of payment.

## CARD PARTY

The party of the Creedmoor Civic Association, Inc, held October 14th at Creedmoor Rest, will go down in the history of the Association as a grand success. The turnout was indeed a splendid demonstration of co-operation on the part of our people.

The large number of beautiful and valuable prizes that were awarded won the admiration of all those present. We wish to take this opportunity to thank the merchants, members and friends who contributed these prizes or to their cost. Their generosity was indeed commendable and they may rest assured it contributed greatly to the success of the affair.

All in all, we are grateful to all who by their purchase of tickets and their attendance, helped to make this one of the outstanding events in the history of the Association. Really, the support given our efforts was more than we had hoped for and in simple words we wish to offer a sincere "Thank You" to all who in any way helped to make it a success.

The thanks of the Association also go forth to Chairman Al Vasko and the members of his committee for their untiring efforts in bringing out such a large gathering and making it a grand social as well as financial success.

All that remains now is to attend the next meeting of the Association on Monday Evening and hear the report of the Committee. A large turnout should indicate the interest of all members in this report.

## IMPORTANT

Members are advised of important facts concerning our next meeting:

1. Even though our next meeting falls on Election Eve, we will, nevertheless, hold it Monday evening, November 7th.
2. Our meeting will be held as usual at Creedmoor Restaurant, 222nd St. and 88th Ave.
3. Motion picture "The Traitor Within" will be presented.
4. Refreshments will be served following the meeting.
5. We are particularly anxious to have a large attendance. "Early risers" should attend this meeting as the next day will be a legal holiday which will give them an opportunity to sleep late.
6. Come early—go early.

## OUR NEXT MEETING

The offer of the Jamaica Health District of the N. Y. City Health Department to present a program at our next meeting was accepted by the members.

The department has arranged a picture and talk under the auspices of the Queens County Cancer Committee. The picture "The Traitor Within" has been shown quite extensively to large audiences all over the United States and has drawn considerable favorable comment.

Our members are asked to come out in large numbers; the program must go on not later than 8:30 P.M.

## WEDDING BELLS

Edna Fitzsimons of Bellerose and George Kiehl of the Rocky Hill Service Station will be married Nov. 5th at St. Gregory's Church.

Milton Diederich of 239th St. will take Aileen Hill of South Ozone Park as his bride on Nov. 18th.

Jessie Favata of 238th St. will become the bride of Edward Prince of South Ozone Park at St. Gregory's Church on Dec. 4th.

John J. Kyle of 235th St. took Dorothy Ann Carr of Brooklyn as his bride at St. Augustine's Church, Brooklyn.

Charles DeBoesch of 239th Street took Agnes Ricci of Queens Village as his bride.

## KEEP EYES OPEN

We have been hearing of several burglaries within the past few weeks and although they have not occurred in our own immediate community, they have been near enough to make us feel a bit uncomfortable.

We do not wish to be accused of being alarmists but feel it would be advisable to call the police when you see suspicious persons about your own or your neighbor's property.

This also holds for strangers you see tampering with autos in our streets as we have had some auto thefts also. Phone Police at JAMAICA 6-1700.

## WATER LOW

Threat of a water shortage has brought an appeal from Mayor O'Dwyer asking householders to cut water use as much as possible.

The mayor said yesterday the water level in city reservoirs already is down half-way. He said the reservoirs can't be filled from upstate sources fast enough to beat the present withdrawal of water.

The mayor called the situation "most serious."

He said executive orders already have gone out to city departments to cut water use. The Sanitation Department has been instructed to stop using water from fire hydrants to wash streets and public fountains are being turned off.

**NEXT MEETING:**  
**At Creedmoor Restaurant**

**MONDAY, NOVEMBER 7th**  
**222nd Street and 88th Avenue**

## YOUR VOTE COUNTS

America's Public Enemy No. 1 is going to wake up a week from today, take a look at his newspaper and start moaning:

"Good Lord, look who they've elected."

He will weary his wife with loud cries of lamentations:

"The country's gone to the dogs. What a place this will be to live in for the next four years."

Who is this human eight-ball? I'll tell you his name. His name is legion. He is democracy's worst foe. He could be the guy who lives next door or in the apartment over you. He may be you yourself.

He is, in short, the guy who won't have voted—the little man who wasn't there.

He is the guy who thinks he knows exactly what's wrong with his country—and won't take a few small steps to the polls to help set it right.

Come next Wednesday he'll have a lot of reasons, all bad, for why he didn't bother to do in the secrecy of a voting booth what John Hancock once dared to do in the open—at the risk of a king's anger.

This man with a citizenship quota of minus zero will explain away his failure to back what he believes in by saying:

"I forgot to register."

Or, "I had something else to do, and there was a line at the polls."

Or, "I just didn't like any of the candidates all the way."

Or, he may capsule his whole futility into the common excuse:

"Oh, well, what does my vote count anyway?"

The trouble with that attitude is that no man is ever in a position to be sure how much or how little his vote counts.

Voting in America is now clean, safe and anonymous. It just takes a little bit of trouble.

But what quiet men fought to win in battle can be easily lost in peacetime by men of lazy conscience whose sense of duty needs an alarm clock.

"X" marks the fate of any democracy where the people won't take the bother to scratch "X" on a ballot.

## FARES

An Associated Press news dispatch from Chicago under date of Oct. 13th reads as follows: Chicagoans will pay more to ride their elevated-subway trains, street cars and busses, starting Saturday. The Chicago Transit Board today increased the elevated-subway fares two cents—from 15 to 17 cents. Street-car and bus fares were boosted two cents—from 13 to 15 cents—and half fares were increased from 6 to 7 cents.

### THEY DESERVE HELP

The trouble with the Girl Scout organization is that it is not bigger. Thousands of girls knock at its door, seeking membership, only to be turned away. It hasn't enough trained leaders, troops or facilities. It needs more of everything except applicants for membership.

That is no fault of the organization itself. It does wonderfully well with the means at hand. It always has. It keeps its program going for 37,000 girls in the Greater New York area—educational, recreational and service activities which teach democracy, self-reliance and the art of getting along with others.

It could do as much for many more girls, the 10,500 who are on a "waiting list" because 400 more troops must be organized before they can join. It could provide those troops...if it had the money. And it could enlarge its summer-camp and other facilities.

The Girl Scouts need your help. The Girl Scout Council of Greater New York has launched its annual fund appeal, seeking \$500,000. Of that sum \$300,000 will be budgeted to maintain the program for its 37,000 members; the balance for a camp expansion program and to form new troops.

The President of our Association, H. J. Breininger, has again been appointed Finance Campaign Chairman for the Queens Village Neighborhood which includes our own community. You can help by sending your contribution direct to Mr. Breininger at 8918 Lyman (235th) St.

The Girl Scout organization is doing a fine job for all of us. It deserves our help.

### CONGRATULATIONS

We take this opportunity to extend our congratulations and best wishes for continued health and happiness in their wedded life to our fellow-members Mr. and Mrs. Fred Kramer of 237th St. on their Silver Wedding Anniversary which will be celebrated Nov. 26th.

A contract for finishing the 179th St. station of the Hillside Ave. subway at a cost of \$541,279 was just awarded.

The work will include placing the glazed tile on the walls and installing the change booths, turnstiles, gates and lavatories. The contractor will be allowed six months.

The general construction is practically finished. The signal system, tracks and third rails are now being installed.

Another interesting feature of the new 179th St. station is that it is planned to have twelve stairways as exits and entrances from 179th St. to Midland

Parkway.

The subway extension is due to open next spring.

**SUBWAY FARES**

The Board of Transportation in an effort to improve the service on the Hillside Ave. subway during rush hours, has inaugurated a new schedule which calls for a train out of Jamaica every minute and a half during the morning rush, half of them E trains starting at 169th St., the others "F" trains starting at Parsons Blvd.

A new schedule also changes the route of the "E" trains during rush hours. Instead of terminating at the Broadway-Lafayette Station, they continue along the regular 8th Ave. Line route to Broadway-Nassau and then on to East N. Y. via Fulton St., Brooklyn.

We haven't heard any comments on these changes but any effort to improve the service will be greatly appreciated. Observing the swarms of people going into and coming out of the subway entrances during the rush hours clearly indicates the tremendous increase in population in communities east, north and south of Jamaica and if it continues it may create a situation that will take a long time to remedy.

## NOW FINISH THE JOB

(Editorial—Daily News, Oct. 18, 1949)

The record registration for a mayoralty election in New York City is fine and dandy, and congratulations to all 2,783,308 of the eligibles who went to their polling places last week and signed up to vote next Nov. 8.

Well begun, as the old saying goes, is half done; but it is only half done. The rest of the job consists in getting out and voting on Election Day for the candidates you think would make the best Mayor, U. S. Senator, and so on. How about attending to that public duty, too—without fail?

## BIRTHDAY

With this issue the "CREEDMOOR CIVIC NEWS" starts its 19th year of existence.

We have endeavored through the columns of our little publication, to bring before our neighbors, the aims and purposes of the Creedmoor Civic Association, Inc. We are happy to say, judging from the many unsolicited kind words received from both within and outside of our community, the "NEWS" is accomplishing its purpose.

However, the factor that makes our publication possible, is the support given by our advertisers, many of whom have been with us since our first issue.

To them we owe our sincere thanks. If you have in the past enjoyed our little paper and would like to have it continued, we would appreciate it, when you make your purchases from any of our advertisers, that you tell them you saw their ad in the "CREEDMOOR CIVIC NEWS."

## AUTO KEYS

The City Council and the Board of Estimate have approved a proposed law that would make it unlawful to leave a motor vehicle unattended in city streets for more than three minutes with the key in the ignition switch or with the ignition unlocked.

The measure provides a fine of \$5, imprisonment up to two days, or both. Police would be empowered to remove ignition keys from vehicles and take them to the nearest precinct station.

Sponsors of this bill claim it will remove temptation from youths who like to jump into parked cars with keys in the ignition ready to go. It is said similar laws in other cities have cut juvenile crime 90%. This bill is now on Mayor O'Dwyer's desk awaiting his signature.
