No. 12

Friday Evening October 14th

Have you reserved this evening to be spent with your neighbors and friends at the party of the Creedmoor Civic Association, Inc., to be held at the Creedmoor Rest, 222nd Street and 88th Avenue?

The committee has the arrangements for this event well along to completion. It is now our endeavor to have a great turnout of our people.

As you may know, Cards and Bunco will be played. And if you make up your own table you may play the game that will give you the greatest pleasure.

For the winners the committee has obtained handsome prizes. Non-players also will share in the prizes and there will be a variety of door prizes. And while you are playing your game you may enjoy a glass of cold beer or you may prefer a glass of wine or something stronger or weaker. A waiter will be within calling distance and help you make your choice.

Of course, you know that Creedmoor Rest is within walking distance of our community, but there is ample parking space on the grounds for those who wish to use their cars.

All indications point to an enjoyable evening for everyone. Tickets are only \$1, plus 20c tax. Cards or games, valuable prizes, etc., all for \$1.20.

Here is your chance to really help your civic association carry on.

Do your little bit, purchase a ticket or two or more. Make up your own table. You will not be called upon to support another affair for a year. The committee also asks those who wish to help make this event a success, to contribute a prize. If you find you cannot attend, why not send a prize? You may rest assured your generosity will be greatly appreciated. Send your prize to our chairman, A. Vasko, 88-12 - 235th Street.

Get your tickets in advance as the seating capacity of Creedmoor Rest is limited and it may be necessary to admit only those having tickets. If you have not yet purchased yours, phone Mr. Vasko, Hollis 5-8868, and he will see to it that you will be supplied.

Join us on the 14th. Bring your smile with you. Come with the object of having an enjoyable evening; we know you will not be disappointed.

TAXES

Real Estate Taxes for the first half of the fiscal year July 1, 1949 to June 30th, 1950 are due this month.

If you do not pay them on or before October 31st, you will incur an interest penalty at the rate of 7 per cent from October 1st to date of payment.

WELL DONE

The Kiwanis Club of Bellerose has just completed its second season of teen age dances at the Braddock Playground, Braddock Ave. and 240th St.

These dances sponsored by the Club as one of its youth activities, were held every Tuesday evening from June 14th to last Tuesday. It was gratifying to note the large numbers of youngsters who availed themselves of these dances and their conduct was exemplary and came in for considerable praise from Park Department officials.

The Kiwanis Club of Bellerose is to be commended and congratulated on the termination of its second successful season of teen age dances and we know we express the feelings of all the youngsters when we say "Thank you for the enjoyable evenings you gave us."

VERY IMPORTANT

By voting in the elections on Nov. 8th we are exercising a privilege that seems to be fast disappearing from the countries of the world, namely that of electing our officials according to our own free choice. It really should be considered the civic duty of every citizen to vote. To say the least, it is a mark of good citizenship to vote.

Now in order to vote you must register. The registration days are Monday, October 10th, through Friday, October 14th, from 5 P.M. to 10:30 P.M. and last day, Saturday, October 15th from 7 A.M. to 10:30 P.M.

This November's election is of importance to the city and the borough. It will include the election of a mayor, comptroller and Council president as well as a new City Council and borough president. At the same time a United States Senator will be elected.

Register and vote Election Day as you please but VOTE.

HAPPY BIRTHDAY

Our congratulations go forth to a young man who at present holds down the job of Vice President of our Association, Fred Loeffelman of 237th St. on his 75th birthday which was celebrated only a few days ago.

Many happy returns of the day.

What to do with the atomic bomb is a baffling problem for mankind but the number one personal problem today as always is how to make ends meet.

This is the time of the year when leaves fall and cover our lawns, sidewalks and street. Perhaps you are not aware of it, but there is a municipal ordinance which prohibits the burning of leaves on the pavement of streets. Violators of this ordinance are subject to prosecution.

Better rake your leaves together and put them in a bag or basket for collection by the Department of Sanitation. This will keep them from being washed down the street and clogging the catchbasin

on your corner. It may also save you a trip to see the judge.

A LETTER

We have been asked to insert the following letter that was sent to the editor of the L. I. Daily Press: Let's bring the "Good Neighbor Policy" to Queens.

You can be a good neighbor—if you tone down your radio or television set so that only you can hear it, especially after 10 P.M.—if you teach your children to respect your neighbor's property—if you curb your dog and don't tie him up outside to bark all night—if you keep your voice lowered in the early morning and late evening hours.

Your neighbor likes peace and quiet. It might be necessary to his health, and well-being.

Lastly, good neighbor, lend a helping hand!

"OUR WATCHWORD"

Everybody is dependent on somebody for some thing. Everybody must work with somebody to secure the best results. This defines our watchword.

Rarely does a husband regain the ground lost by a temporary retreat.

Most of us take four weeks' vacation; one week to prepare for the fortnight and another to get over it.

If a man tries to sneak in a little shuteye, somebody is sure to start a vacuum cleaner or deliver a load of coal.

In my household the item that has lasted longest and given the most comfort is a footstool.
