Congratulations and best wishes for many more years of happy wedded life.

GOOD NEWS

Announcement is made that the Bellerose Cadets will commence their activities for the 1955-56 season as soon as the community center opens at Public School 33. The boys will be notified by postcard of the date of the first meeting.

This organization was formed by a group of fathers of our community who gave much of their time and money to give the boys some healthful activity. As many as 50 boys turned out on an evening which meant considerable hard work for the handful of volunteers. This situation was placed before the parents of the boys at a meeting held at Prince Post Headquarters and on the strength of promises of help from the parents, it was decided to continue the activity for another season.

WELL DONE

As this issue goes to press, the Kiwanis Club of Bellerose and Queens Village will have completed its eighth season of teen-age dances at the Braddock Playground, Braddock Ave. and 240th St.

These dances, sponsored by the Club as one of its youth activities, were held every Tuesday evening from June to September. It was gratifying to note the large numbers of youngsters who availed themselves of these dances and their conduct was exemplary and brought forth considerable praise from Park Department officials.

The Kiwanis Club of Bellerose and Queens Village is to be commended and congratulated on the termination of another successful season of teen-age dances and we know we express the feelings of all the youngsters when we say "Thank you for the enjoyable evenings you gave us."

A GREAT EVENT

Talked of for over 25 years and actually campaigned for for over 17 years, the high school for the Eastern section of Queens County is to open its doors to the first students on Monday, Sept. 12.

After all these years of promises, disappointments and discouragements, the East Queens High School, officially known as the Martin Van Buren High School, will be able to accommodate 1700 or more youngsters on its opening and eventually be used to its full capacity of 3000 pupils.

BUY A BRICK

The John F. Prince Post V. F. W. is asking the cooperation of the community in its campaign to raise funds for its building which is now under construction at Braddock Ave. and Belt Parkway.

Members of the Post plan to call on all residents of the community and present the opportunity to buy a brick in the new building. Your assistance in this campaign is earnestly solicited.

CONDOLENCES

It is with sadness that we note the passing of our fellow-members, Sophie Haffner of 88th Ave. and Anna Kern of 240th St., also the pioneer of all pioneers of our community who in 1894 settled on his farm on Rocky Hill Road (Braddock Ave.) when hereabouts was still known as Creedmoor, Charles F. Walter of Braddock Ave.

To the bereaved families we offer our heartfelt sympathies.

DRAWING

At our meeting on Tuesday evening, we will again offer a brand new \$5 bill as an attendance prize. Come out to the meeting, you may take the bill home with you.
